

Student Research Competition 2019

The North American Society for Sport Management is pleased to announce its annual student research competition. To be eligible for this competition, students **MUST** be enrolled in a college or university at the deadline of submission (11:59pm PST, Monday January 14, 2019), **AND** not be employed in a full-time academic position at the submission deadline. Students may not submit more than **ONE** paper for this competition, and if accepted for presentation, this paper will count toward the two-presentation maximum for the NASSM Annual Conference.

Papers should reflect a student's analytical and/or theoretical research interest and be appropriate for presentation at the NASSM Annual Conference. The winner of the student competition will have an opportunity to present this paper at the President's Luncheon during the NASSM Annual Conference (May 28 - June 1, 2019).
